The Independence, Missouri, campus was built in 1998 and offers online and residential programs in our School of Nursing, the Gleazer School of Education, the C.H. Sandage School of Business and the Community of Christ Seminary. Graceland began offering distance learning opportunities in 1988. The Center for Graduate and Continuing Studies administers these programs.

## VISION

Graceland University will become a recognized educational leader, inspiring and empowering persons for transformational service and leadership.

## MISSION

Graceland creates learning communities where students develop their potential for meaningful and productive lives.

## VALUES

Graceland values learning, wholeness and community. Graceland encourages the development of these values for the enrichment of lives and the betterment of the world.

- **Learning**  
We believe in the lifelong process of the open and free pursuit of truth.
- **Wholeness**  
We believe that the development of the intellectual, physical, social and spiritual dimensions of all persons is necessary for healthy and fulfilling lives.
- **Community**  
We appreciate and welcome diversity and, as an institution sponsored by Community of Christ, believe in the inherent worth of all persons expressed through relationships built on the foundation of unconditional love and acceptance.

# Geographic Distribution

Graceland students represent 44 states, the U.S. unincorporated territory of Puerto Rico and 28 countries.  
 Lamoni campus students represent 38 states, the unincorporated territory of Puerto Rico and 23 countries.

ACE students are not included.

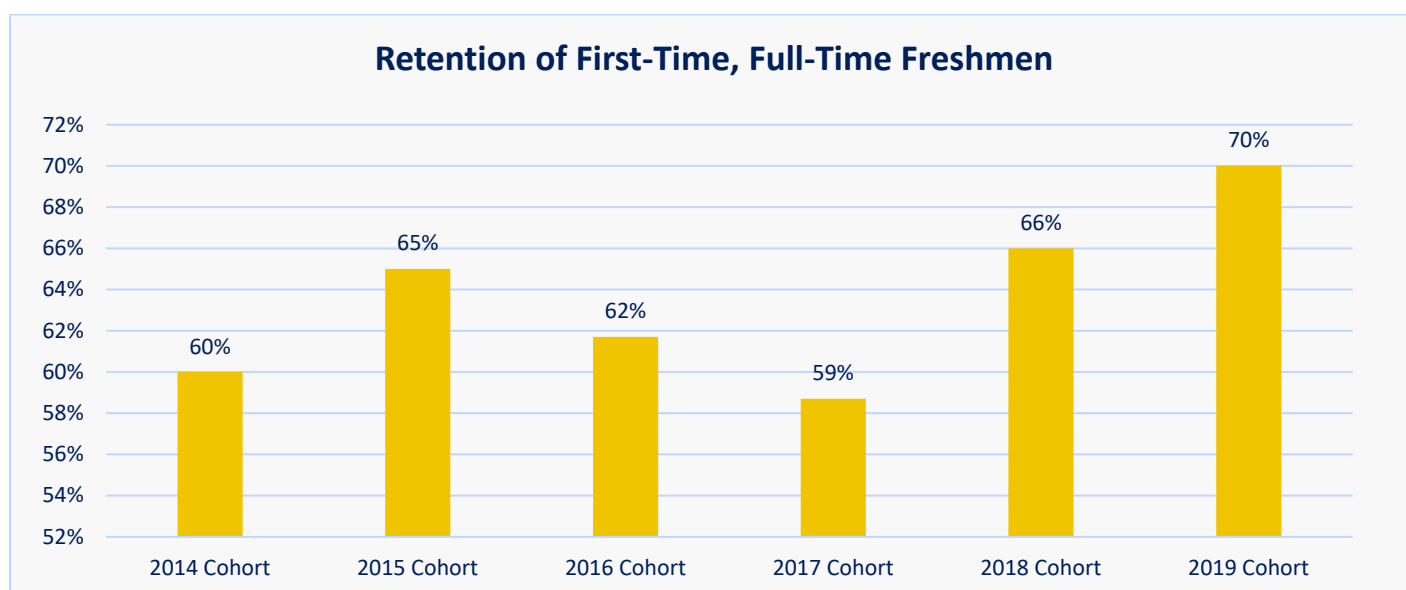

# Retention

The following charts show the retention rate of full-time, new from high school students from their first year at Graceland University to their second year. These numbers are for the **Lamoni campus only**.

The Integrated Postsecondary Education Data System (IPEDS) requires that retention rates be calculated as a percentage of the first-time, full-time students in a given cohort who return for a second consecutive year at the same institution. A cohort is defined as all members of an incoming class in a given academic year. The cohorts are defined as Fall to Fall. For the years displayed, only the Lamoni campus had first-time, full-time students. All other campuses enrolled only transfer students.

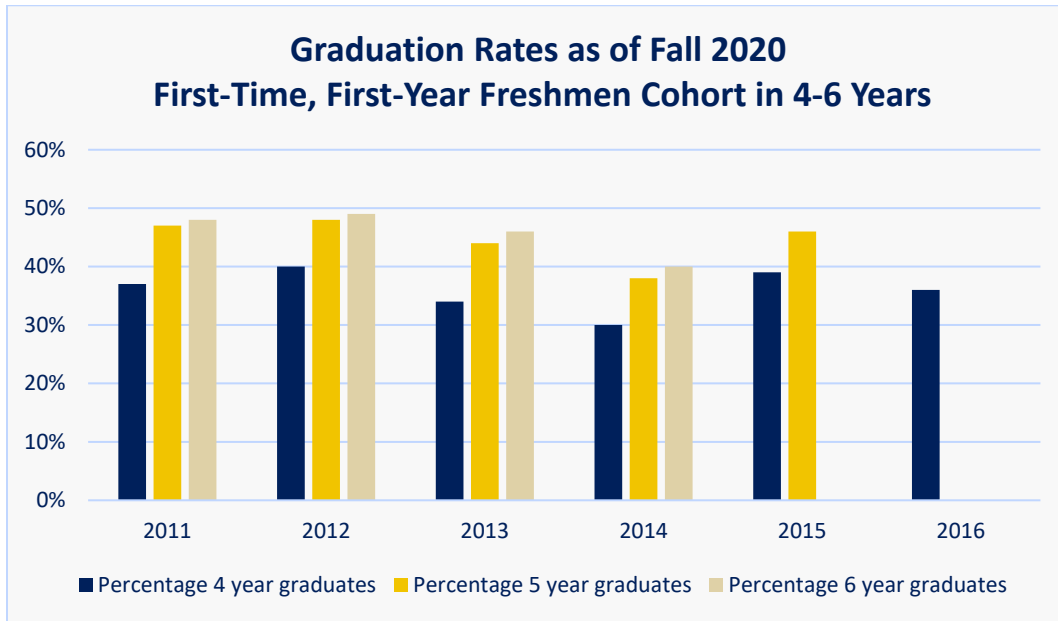

Calculations in Fact Books prior to 2016 reported retention as a percentage of all students classified as first-year students. These numbers are slightly higher than those reported by the Registrar. This report excludes students who are no longer enrolled for reasons identified by IPEDS as excused: death, military service and church mission work.

Entering Cohort	Beginning Enrollment	Retention Rate First to Second Year
2014 Cohort	282	60%
2015 Cohort	289	65%
2016 Cohort	256	62%
2017 Cohort	254	59%
2018 Cohort	267	66%
2019 Cohort	193	70%
2020 Cohort	211	

# Graduation

These charts show the percentage of first-time, first-year cohorts and the percentage of those students who graduated within 4, 5, and 6 years of starting with Graceland. These cohorts are full-time students on the Lamoni campus **only**.

# Faculty

## Student to Faculty Ratios

The Student to Faculty Ratios account for all full-time and part-time instructors who taught an undergraduate class in the Fall 2020 semester. This includes ACE faculty and students as well.

The ratios are calculated based on IPEDS formula requirements using the full-time equivalent (FTE) of students to the FTE of instructional staff, i.e., students divided by staff. Each FTE value is equal to the number of full-time students/faculty plus 1/3 the number of part-time students/faculty.

Student to Faculty Ratio Trends

## Faculty/Teaching Staff

*Full-time instructional faculty:* This report uses the American Association of University Professors (AAUP) definition of full-time instructional faculty and is defined as those members of the university staff whose major regular assignment is instruction, including those with released time for research. The information in the tables below represent all Fall 2020 undergraduate and graduate full-time faculty who fall under the university's Faculty Personnel Policy (FPP). Terminal degrees include all doctorates, MBA, MFA, MSW, and MLS.

# Student Outcomes

## Gleazer School of Education

The Praxis II is a battery of two separate tests, and students must pass both to have a passing score and be eligible for Iowa teacher licensure. Beginning with 2016-17, the pass rate displayed records the unduplicated number of attempts. In this calculation, passing the subject matter but not the pedagogy (or vice versa) would be recorded as an unsuccessful attempt.

Academic Year	Number Taking Assessment	Number Passing Assessment	Graceland Pass Rate
2014-15	125	98	78%
2015-16	127	100	79%
2016-17	124	69	56%
2017-18	59	35	59%
2018-19	136	99	73%
2019-20	50	25*	50%*

**Source:** Educational Testing Service (ETS) total tests passed divided by total tests taken within the year.

Prior to 2016-17, the count reflects each attempt to pass; after 2016-17, the count reflects students, not attempts, to pass.

\*For the 2019-20 year, an additional seven students passed one test, but due to the COVID-19 pandemic and the ETS testing sites shutting down, these students have been unable to take their second exam due to the backlog.

## School of Nursing

The National Council Licensure Exam (NCLEX) is an examination for the licensing of Registered Nurses (RN) in the United States that prepares the student as a nurse generalist. The purpose of the exam is to determine if it's safe for the student to begin practice as an entry-level nurse.

The American Nurses Credentialing Center (ANCC) Nurse Practitioner certification exam enables nurses to demonstrate their specialty expertise and validate their knowledge to become an entry-level nurse practitioner.

The American Association of Nurse Practitioners (AANP) certification exam is for nurses who wish to become an entry-level Family Nurse Practitioner. This exam is competency-based that and tests clinical knowledge in family and individual health.

Graceland students in the Master of Science in Nursing (MSN) and Family Nurse Practitioner (FNP) programs can take either the ANCC or the AANP exam. The following chart represents the passage and certification rates for Graceland Nursing program graduates.

	<b>BSN-RN Program</b>	<b>MSN/FNP</b>

## 2019 National Survey of Student Engagement (NSSE)

The tables below provide a snapshot of the 2019 NSSE that is administered on a two-year cycle.

Engagement Indicators are summary measures based on sets of NSSE questions examining key dimensions of student engagement. The 10 indicators are organized within four broad themes: Academic Challenge, Learning with Peers, Experiences with Faculty, and Campus Environment. The tables below compare average scores for Graceland students.

- ▲ Graceland students' average was significantly higher ( $p < .05$ ) with an effect size at least .3 in magnitude.
- △ Graceland students' average was significantly higher ( $p < .05$ ) with an effect size less than .3 in magnitude.
- No significant difference.
- ▽ Graceland students' average was significantly lower ( $p < .05$ ) with an effect size less than .3 in magnitude.
- ▼ Graceland students' average was significantly lower ( $p < .05$ ) with an effect size at least .3 in magnitude.

# Student Engagement and Participation

## Athletics

All of Graceland’s Lamoni student athletes sign a character pledge and participate in a program that is designed to help participants balance moral and social reason by keeping the core values of integrity, respect, responsibility, sportsmanship and servant leadership at the heart of the athletic experience. Since 2016, Graceland University has won distinction as an [NAIA Champions of Character Five-Star Gold Institution](#).

\*Note that the number of current-year athletes may change as the year develops. Includes full- and part-time students.

A student athlete is any student who has had eligibility checked for a sport for a given year, excluding student coaches and managers. Students are counted only once regardless of how many sports they participate in.

\*2020-21 is a partial year.

For the 2020-21 academic year, the university has 21 varsity and 11 junior varsity athletic teams.

# Glossary

## Race/Ethnicity (definitions from the Common Data Set)

**Nonresident Alien:** A person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely. (Note: A person identifying as a non-resident alien may not be counted in the other categories below. These categories are reserved for U.S. citizens or legal residents alone.)

**Hispanic or Latino:** A person of Mexican, Puerto Rican, Cuban, South or Central American, or other Spanish culture, or origin, regardless of race. (Note: Under IPEDS and CDS guidelines, if a person identifies as Hispanic, then that person *must* be identified as Hispanic, regardless of other racial or ethnic identification.)

**American Indian or Alaska Native:** A person having origins in any of the original peoples of North and South America (including Central America) and maintaining tribal affiliation or community attachment.

**Asian:** A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

**Black or African American:** A person having origins in any of the black racial groups of Africa.

**Native Hawaiian or Other Pacific Islander:** A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

**White:** A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

**Race/ethnicity unknown:** Category used to classify students or employees whose race/ethnicity is not known and whom institutions are unable to place in one of the specified racial/ethnic categories.

## Student Categories (definitions from IPEDS)

**Adjusted cohort (IPEDS)** The result of removing any allowable exclusions from a cohort (or sub-cohort). For the Fall Enrollment component, it is the cohort for calculating retention rate; for the Graduation Rates component, this is the cohort from which graduation and transfer-out rates are calculated; and for the Outcome Measures component, these are the four cohorts (first-time, full-time; first-time, part-time; non-first-time, full-time; or non-first-time, part-time) for which outcomes rates are calculated at 4, 6, and 8 years.

**Exclusions:** deceased, permanently disabled, armed forces, foreign aid service of the federal government, or official church missions.

**Applicant (IPEDS)** An individual who has fulfilled the institution's requirements to be considered for admission (including payment or waiving of the application fee, if any) and who has been notified of one of the following actions: admission, non-admission, placement on waiting list, or application withdrawn by applicant or institution.

**Calculation of FTE students (using fall student headcounts):** The number of FTE students is calculated based on fall student headcounts as reported by the institution on the IPEDS Enrollment (EF) component (Part A). The full-time equivalent (headcount) of the institution's part-time enrollment is estimated by multiplying the factors noted below times the part-time headcount. These are then added to the full-time enrollment headcounts to obtain an FTE for all students enrolled in the fall. This formula is used to produce an FTE that is used annually in the Digest of Education Statistics.

- Part-time undergraduate enrollment
  - Public 4-year (.403543)
  - Private (not-for-profit and for-profit) 4-year (.392857)
  - Public 2-year and <2-year (.335737)
  - All other institutions (.397058)
- Part-time graduate enrollment
  - Public 4-year (.361702)
  - Private (not-for-profit and for-profit) 4-year (.382059)

**Degree/certificate seeking students:** (IPEDS) Students enrolled in courses for credit who are seeking a degree, certificate, or other formal award. This includes students who:

- received any type of federal financial aid, regardless of what courses they took at any time.
- received any state or locally based financial aid with an eligibility requirement that the student be enrolled in a degree, certificate, or transfer-seeking program; or
- obtained a student visa to study at a U.S. postsecondary institution

High school students also enrolled in postsecondary courses for credit are not considered degree/certificate seeking.

**Accelerated College Education (ACE)/ High School Dual Enrollment:** Dual enrollment programs allow high school students to enroll in college courses. Opportunities are available for high school 11th- and 12th-grade students (and 9th- and 10th-grade talented and gifted students).

**First-time student:** (CDS) A student attending any institution for the first time at the level enrolled. Includes students enrolled in the fall term who attended a postsecondary institution for the first time at the same level in the prior summer term. Also includes students who entered with advanced standing (college credit earned before graduation from high school).

**First-time, first-year (freshmen) student:** (CDS) A student attending any institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). *Graceland's Code is "FF" for these students.*

**First-year student:** (CDS) A student who has completed less than the equivalent of 1 full year of undergraduate work; that is, less than 30 semester hours (in a 120-hour degree program) or less than 900 contact hours.

**Freshman:** A first-year undergraduate student.

**Full-time student (undergraduate):** (CDS) A student enrolled for 12 or more semester credits, 12 or more quarter credits, or 24 or more contact hours a week each term. (Note: Graduate students are full-time when registered for five or more semester hours.)

**Initial cohort:** (IPEDS) A specific group of individuals established for tracking purposes. For the Graduation Rates (GR) and Outcome Measures (OM) components of IPEDS, the initial cohort is defined as the enrollment count before removing revisions and exclusions of all degree/certificate-seeking students who enter in either (1) the fall term of a given academic year, or (2) between September 1st and August 31st of the following year. For the GR component of IPEDS, the initial cohort is only for full-time, first-time students. For OM, all undergraduates are placed in one of four initial cohorts: full-time, first-time; part-time, first-time; full-time, non-first-time; and part-time, non-first time.

**Part-time student:** (IPEDS) Undergraduate: A student enrolled for either less than 12 semester or quarter credits, or less than 24 contact hours a week each term. Graduate: A student enrolled for less than 9 semester or quarter credits.

**Stop Out:** (IPEDS) A student who left the institution and returned later. (one semester or more).

Faculty categories (from the IPEDS Glossary)

**Adjunct instructional staff:** Non-tenure track instructional staff serving in a temporary or auxiliary capacity to teach specific courses on a course-by-course basis. Includes both instructional staff who are hired to teach an academic degree-credit course and those hired to teach a remedial, developmental, or ESL course; whether the latter three categories earn college credit is immaterial. Excludes regular part-time instructional staff (who, unlike adjuncts are not paid on a course-by-course basis), graduate assistants, full-time professional staff of the institution who may teach individual courses (such as a dean or academic advisor), and appointees who teach non-credit courses exclusively.

**Student-to-faculty ratio** (IPEDS) The ratio of FTE students to FTE instructional staff, i.e., students divided by staff.

- Students enrolled in "stand-alone" graduate or professional programs and instructional staff teaching in these programs are excluded from both full-time and part-time counts.
- "Stand-alone" graduate or professional programs are those programs such as medicine, law, veterinary, dentistry, social work, or public health, in which faculty teach virtually only graduate-level students (also referred to as "independent" programs).  
Each FTE value is equal to the number of full-time students/staff plus 1/3 the number of part-time students/staff.

The mission of **Institutional Effectiveness** is to facilitate Graceland's ability to improve, to fully accomplish the Graceland mission (to create learning communities where students develop their potential for meaningful and productive lives) by engaging Graceland's many subunits in collaborative planning and by providing them with the data they need to effectively assess and review their effectiveness and to continually improve their quality and relevance.

The mission of **Institutional Research** is to enhance these efforts by providing reliable information and data to internal constituents for their analysis and to external constituents to demonstrate Graceland's integrity and/or to promote Graceland.
