

**Student Teacher Candidate Name:** \_\_\_\_\_  
 (use this form for bi-weekly observations, midterm evaluation, and final evaluation)

Use the following scale to evaluate the candidate at their present level of competency (not as an experienced teacher). Use this report as the focus of your reflective conference with the student teacher. This will help to provide direction for the candidate moving forward.

**Key (leave blank if not observed)**

- 1 Unsatisfactory - the candidate does not have a grasp on the standard described
- 2 Developing - the candidate's knowledge for performance in this area is rudimentary and may perform satisfactory with support
- 3 Basic - the candidate has a clear grasp of the standard and translates knowledge into effective practice
- 4 Proficient - the candidate shows advanced depth of knowledge of the standard and enriches student learning

<b>INTASC Standards &amp; Learning Objectives Assessment</b>	
<b>INTASC 1 - Learner Development (LO 1)</b>	<b>INTASC 7 - Planning for Instruction (LO 7)</b>
Understands how students learn and develop	Resourcefulness/collaboration with specialists
Considers individual learner's interests and needs	Creativity
Regularly assesses to design and modify instruction	Cross disciplinary
<b>INTASC 2 - Learning Differences (LO 2)</b>	Relevant to learners
